SUBJECT INDEX

VOLUME 135, 2004

A

ACID ETCHING
The effect of saliva contamination on enamel and dentin using a self-etching adhesive. Townsend, R.D. et al. 895
Total-etch versus self-etch. (Letter) Featherstone, R.W. 412; (Response) Perdigão, J. et al. 414
Total-etch versus self-etch. (Letter) Papazian, G.A. 276

ADVERTISING
Fixing a hole where the ads get in. (CyberNews) Hoyle, J. 32
May I advertise using the name of the retiring dentist whose practice I purchased? (Ethical Moment) Jones, K.D. Jr. 661

AEROSOLS
Aerosols and splatter in dentistry: a brief review of the literature and infection control implications. Harrel, S.K. et al. 429

AFRICAN-AMERICANS
Study flags 'racial disparities' in oral cancer care. (News) 1528

AGING
Reverse age discrimination? Supreme Court says law does not bar discrimination against younger workers. Sfikas, P.M. 509

AIR MICROBIOLOGY
Aerosols and splatter in dentistry: a brief review of the literature and infection control implications. Harrel, S.K. et al. 429

AIR POLLUTANTS, OCCUPATIONAL
Nitrous oxide. (Letter) Edelman, H. 410; (Response) Fan, P.L. 412

AIR POLLUTION, INDOOR
Aerosols and splatter in dentistry: a brief review of the literature and infection control implications. Harrel, S.K. et al. 429
Nitrous oxide. (Letter) Edelman, H. 410; (Response) Fan, P.L. 412

AMERICAN DENTAL ASSOCIATION
Annual Meeting, 926
Business Program, 1174
ADAMember.net e-mail service. (CyberNews) Hoyle, J. 1536
The American Dental Association's oral cancer campaign: the impact on consumers and dentists. Stahl, S. et al. 1261
Court finds that RICO statute can be applied in noncriminal cases. Sfikas, P.M. 238
It's a pipeline issue: women in leadership. (Editorial) Jeffcoat, M.K. 142
JADA online enhancement for members. (CyberNews) Hoyle, J. 1384
JAMA dental radiography study bolsters ADA recommendations. (News) 724
Looking for CE? Go to ADA.org. (CyberNews) Hoyle, J. 575
Make your session plans on ADA.org. (CyberNews) Hoyle, J. 872
Technically speaking. (CyberNews) Hoyle, J. 1096
Web site wisdom. (CyberNews) Hoyle, J. 1241

AMYLOIDOSIS
Systemic amyloidosis manifesting as localized, severe periodontitis. Khoury, S. et al. 617

ANESTHESIA, DENTAL
Adverse effects
Techniques for reducing anesthetic injection pain: an interdisciplinary survey of knowledge and applications. Meit, S.S. et al. 1243
Methods
Anesthetic efficacy of the palatal-anterior superior alveolar injection. Burns, Y. et al. 1269
Computer-controlled delivery versus syringe delivery of local anesthetic injections for therapeutic scaling and root planing. Loomer, P.M. et al. 358

ANESTHETICS, INHALATION
Nitrous oxide. (Letter) Edelman, H. 410; (Response) Fan, P.L. 412

ANESTHETICS, LOCAL
Administration and dosage
Anesthetic efficacy of the palatal-anterior superior alveolar injection. Burns, Y. et al. 1269
Computer-controlled delivery versus syringe delivery of local anesthetic injections for therapeutic scaling and root planing. Loomer, P.M. et al. 358
Quantification and analysis of pain in nonsurgical scaling and/or root planing. Magnusson, I. et al. 1747
Techniques for reducing anesthetic injection pain: an interdisciplinary survey of knowledge and applications. Meit, S.S. et al. 1243

ANTIBIOTIC PROPHYLAXIS
To premedicate or not to premedicate. (Letter) Siegel, M.A. 144; (Response) 148
Premedication and informed consent. (Letter) Pallasch, T.J. 146; (Response) 148

ANTIBIOTICS
Combating antibiotic resistance. ADA Council on Scientific Affairs 484; (Omission) 727

ANTIFUNGAL AGENTS
Saliva-derived peptide shows promise as oral antifungal agent. (News) 571

ANTI-INFECTIVE AGENTS
Local
Adjunctive benefit of an essential oil-containing mouthrinse in reducing plaque and gingivitis in patients who brush and floss regularly. Sharma, N. et al. 496
The antimicrobial potential of 14 natural herbal dentifrices: results of an in vitro diffusion method study. Lee, S.S. et al. 1133; (Clarification) 1528

ANXIETY DISORDERS
Stress, burnout, anxiety and depression among dentists. Rada, R.E. et al. 788

APPOINTMENTS/ELECTIONS/AWARDS, 28, 156, 290, 420, 572, 727, 868, 1092, 1238, 1378 (Correction 1682), 1531, 1683

ARTERIES
Implants and arteries. (Letter) Flanagan, D. 566

ASPIRATION
Aspiration and ingestion in dental practice. Tiwana, K.K. et al. 1287

ASPIRIN
Tooth erosion caused by chewing aspirin. Grace, E.G. et al. 911

ASSOCIATION DIRECTORY, 10, 138, 270, 398, 542, 690, 838, 1074, 1214, 1358, 1510, 1654

ASTRONOMY
It ain't necessarily so: Mars and the limits of received wisdom. (Editorial) Jeffcoat, M.K. 14

ATTITUDE OF HEALTH PERSONNEL
Dental students' experiences with and attitudes toward people with mental retardation. Wolff, A.J. et al. 353

ATTITUDE TO HEALTH
Access to dental care in Alabama for children with special needs. Al Agili, D.E et al. 490

ATHLETIC INJURIES
Prevention
The importance of using mouthguards: tips for keeping your smile safe. (For the Dental Patient) 1061

AUTISTIC DISORDER
A perfect storm: lessons from the vaccine controversy. (Editorial) Jeffcoat, M.K. 402
The vaccine controversy. (Letter) Cantor, J.S. 862; (Response) Jeffcoat, M.K. 864

B

BACILLUS SUBTILIS
Bacteria use novel mechanism to express genes. (News) 28

BACTEREMIA
Oral bacteria linked to preterm birth. (News) 571

BACTERIOPHAGES
New way to control drug-resistant bacteria discovered. (News) 1528

BETA-DEFENSINS
Oral disease-fighters provide clues to enhancing the immune system. (News) 416

BIOFILMS
A simulated-use evaluation of a strategy for preventing biofilm formation in dental unit waterlines. McDowell, J.W. et al. 799

BLADE IMPLANTATION
Placement and postmortem retrieval of a 28-year-old implant: a clinical and histologic report. Cappuccilli, M. et al. 324

BONE LOSS
Scorpion venom compound inhibits bone loss. (News) 286

BONE TRANSPLANTATION
New procedure developed for creating, transplanting jawbone graft. (News) 1376
Understanding prions. (Letter) Dello Russo, N. 278; (Response) Porter, S.R. 278

BORDETELLA BRONCHISEPTICA
New way to control drug-resistant bacteria discovered. (News) 1528

BULIMIA NERVOSA
Diagnosing bulimia nervosa with parotid gland swelling. Mandel, L. et al. 613

BURNOUT, PROFESSIONAL
Stress, burnout, anxiety and depression among dentists. Rada, R.E. et al. 788

C

CALENDAR OF EVENTS, 29, 156, 292, 420, 573, 727, 870, 1094, 1238, 1378, 1531, 1683

CANDIDIASIS, ORAL
Saliva-derived peptide shows promise as oral antifungal agent. (News) 571

CAPITATED PLANS
Self-reported oral health of enrollees in capitated and fee-for-service dental benefit plans. Coulter, I.D. et al. 1606
Self-reported satisfaction of enrollees in capitated and fee-for-service dental benefit plans. Coulter, I.D. et al. 1458

CARCINOMA, SQUAMOUS CELL
Etiology
Squamous cell carcinoma arising in an oral lichenoid lesion. Fatahzadeh, M. et al. 754

CARDIAC ARREST
Defibrillators. (Dental Product Spotlight) 366

CAREER CHOICE
Careers in dentistry: are you interested in becoming a dental assistant? (For the Dental Patient) 531
Careers in dentistry: learn more about dental laboratory technology. (For the Dental Patient) 1347
Considering a career as a dentist? Learn more about one of the most respected professions in the country. (For the Dental Patient) 259

CARIOSTATIC AGENTS
Pharmacokinetics
The remineralizing effect of an essential oil fluoride mouthrinse in an intraoral caries test. Zero, D.T. et al. 231

CELL TRANSFORMATION, NEOPLASTIC
Squamous cell carcinoma arising in an oral lichenoid lesion. Fatahzadeh, M. et al. 754

CEMENTATION
Permanent cementation of crowns on teeth with minimal tooth structure. Papazian, G.A. 917
Practical information. (Letter) Wexler, S.S. 1368

CENTERS FOR DISEASE CONTROL AND PREVENTION
Guidelines for infection control in dental health care settings—2003. Kohn, W.G. et al. 33

CHEEK RETRACTORS
Cheek retractors. (Letter) Dietz, G.C. Sr. 150

CHILD ABUSE
What should I do when I suspect an elderly or pediatric person is being abused? (Ethical Moment) Jones, K.D. Jr. 1172

CIPROFLOXACIN
Serum and gingival crevicular fluid levels of ciprofloxacin in patients with periodontitis. Tözüm, T.F. et al. 1728

CLINICAL COMPETENCE
Board exams are critical. (Letter) Harper, W.A. 1669; (Response) Ranney, R.R. et al. 1670
More about licensure. (Letter) Hammond, D. 716; (Response) Chambers, D.W. 718
More about licensure exam. (Letter) Cheek, C.Y. 1668; (Response) ADA Division of Education 1669
The NERB exam. (Letter) Colburn, J.K. 1670; (Response) Ranney, R.R. et al. 1672
Oversimplifying licensure? (Letter) Yeager, A.L. 714; (Response) Chambers, D.W. 716
Portfolios for determining initial licensure competency. Chambers, D.W. 173
Portfolios for initial licensure. (Letter) Cosby, J.C. Jr. 712; (Response) Chambers, D.W. 714
Practice makes perfect. (Letter) Dietz, G.C. Sr. 148
Preparing for the exam. (Letter) Page, D.C. 1662; (Response) Ranney, R.R. et al. 1664
The relationship between performance in a dental school and performance on a clinical examination for licensure. Ranney, R.R. et al. 1146

CODEINE
Codeine use. (Letter) Hirschfeld, J.J. 1086; (Response) Friedlander, A.H. 1086

CODES OF ETHICS
Informed consent. (Letter) Miller, K.G. 20; (Response) Sfikas, P.M. 22

COLOR
The effect of surface finishing and storage solutions on the color stability of resin-based composites. Patel, S.B. et al. 587; (Correction) 868

COLOR PERCEPTION
Perceptions of desirable tooth color among parents, dentists and children. Shulman, J.D. et al. 595

COMMUNITY DENTISTRY
Blatant bias. (Letter) Casamassimo, P. 698; (Response) Jeffcoat, M.K. 698
Message questioned. (Letter) Anderson, P. 696; (Response) Jeffcoat, M.K. 698
Salient points. (Letter) Turchi, L.J. 696; (Response) Jeffcoat, M.K. 698
(Sub)standard of care. (Letter) Curtis, D. 694; (Response) Jeffcoat, M.K. 698
(Sub)standard of care: will culture trump competence in California? (Editorial) Jeffcoat, M.K. 274

COMPENSATION AND REDRESS
Stress, strain and unpaid claims: Colorado's high court says the insured can recover for emotional distress without proving substantial loss. Sfikas, P.M. 1031

COMPUTER-AIDED DESIGN
Clinical performance of large, all-ceramic CAD/CAM-generated restorations after three years. Reich, S.M. et al. 605
New procedure developed for creating, transplanting jawbone graft. (News) 1376

COMPUTER-ASSISTED INSTRUCTION
Preparing dental students to recognize and respond to domestic violence: the impact of a brief tutorial. Danley, D. et al. 67

COMPUTERS
Cautions regarding computer

imaging. (Letter) Anderson, C.F. 1516; (Response) Almog, D.M. 1518
Should dentistry be part of the National Health Information Infrastructure? Schleyer, T.K.L. 1687
Security
Computer security bulletins by email. (CyberNews) Hoyle, J. 426
Essential questions regarding data, backups and online backups. Emmott, L.F. 1005
A reasonable concern. (CyberNews) Hoyle, J. 729

CONFIDENTIALITY
Court upholds final version of HIPAA privacy regulations. Sfikas, P.M. 806

CONFLICT OF INTEREST
Do you see any conflict between the desire to provide high-quality dental care and the desire to run an efficient, profitable business? (Question of the Month) Lund, A.E. 725
Funding research. (Letter) Linden, R. 566; (Response) 568
Truth-telling. (Letter) Goldstein, A.J. 1222; (Response) 1224

CONSUMER SATISFACTION
Self-reported satisfaction of enrollees in capitated and fee-for-service dental benefit plans. Coulter, I.D. et al. 1458

CONTINUING EDUCATION PROGRAM, 101, 227, 341, 505, 653, 795, 1035, 1163, 1303, 45S, 1467, 1621, 1743

CORONARY DISEASES
Evidence reveals association between periodontal disease, coronary artery disease. (News) 1682
Poor oral health linked with coronary heart disease. (News) 416

CRIMINAL LAW
Court finds that RICO statute can be applied in noncriminal cases. Sfikas, P.M. 238

CROSS-INFECTION
Infection control and prions. (Letter) Merchant, V.A. 554; (Response) Porter, S.R. 556

CROWNS
Achieving optimum retention for restorations. Christensen, G.J. 1143
Clinical performance of large, all-ceramic CAD/CAM-generated restorations after three years. Reich, S.M. et al. 605
Improving quality and speed in providing fixed prosthodontics. Christensen, G.J. 333
Permanent cementation of crowns on teeth with minimal tooth structure. Papazian, G.A. 917
Practical information. (Letter) Wexler, S.S. 1368

CYCLO-OXYGENASE INHIBITORS
The analgesic efficacy of intramuscular parecoxib sodium in postoperative dental pain. Mehlisch, D.R. et al. 1578

CYTOCHROME P-450 ENZYME SYSTEM
Metabolism
Brand names. (Letter) Kessler, L. 854
Drug interactions in dentistry: the importance of knowing your CYPs. Hersh, E.V. et al. 298
Kudos. (Letter) Baker, M.C. 854
More about brand names. (Letter) Jones, D.J. 854; (Response) Hersh, E.V. et al. 856

D

DECISION SUPPORT TECHNIQUES
Dentistry on the road(map). (Editorial) Tabak, L.A. 1362

DEFIBRILLATORS
Defibrillators. (Dental Product Spotlight) 366

DEGLUTITION
Aspiration and ingestion in dental practice. Tiwana, K.K. et al. 1287

DELEGATION, PROFESSIONAL
Improving quality and speed in providing fixed prosthodontics. Christensen, G.J. 333

DENTAL ABUTMENTS
Abutment tooth loss in patients with overdentures. Ettinger, R.L. et al. 739

DENTAL AMALGAM
Amalgam resources online. (CyberNews) Hoyle, J. 1686
Prevalence of cusp fractures in teeth restored with amalgam and with resin-based composite. Wahl, M.J. et al. 1127

DENTAL ANXIETY
Prevention
Cheek retractors. (Letter) Dietz, G.C. Sr. 150
Techniques for reducing anesthetic injection pain: an interdisciplinary survey of knowledge and applications. Meit, S.S. et al. 1243

DENTAL ASSISTANTS
Careers in dentistry: are you interested in becoming a dental assistant? (For the Dental Patient) 531

DENTAL BONDING
In vivo versus in vitro. (Letter) Mjör, I.A. 1370; (Response) Purk, J.H. 1372
In vivo versus in vitro microtensile bond strength of axial versus gingival cavity preparation walls in Class II resin-based composite restorations. Purk, J.H. et al. 185
Total-etch versus self-etch. (Letter) Featherstone, R.W. 412; (Response) Perdigão, J. et al. 414

DENTAL CARE
Have a checkup before you travel. (For the Dental Patient) 827
Access
Access to dental care in Alabama for children with special needs. Al Agili, D.E et al. 490
Access to dental care: solving the problem for underserved populations. Guay, A.H. 1599
Access to dental care: the triad of essential factors in access-to-care programs. Guay, A.H. et al. 779
Dental visits among Hispanics in the United States, 1999. Wall, T.P. et al. 1011
Do you sometimes provide dental care to disadvantaged patients who may not be able to pay for your services? (Question of the Month) Lund, A.E. 418
Improving America's access to care: the National Institute of Dental and Craniofacial Research addresses oral health disparities. Milgrom, P. et al. 1389
Is trust a predictor of having a dental home? Graham, M.A. et al. 1550
Economics
Do you sometimes provide dental care to disadvantaged patients who may not be able to pay for your services? (Question of the Month) Lund, A.E. 418
The economic impact of dentistry. House, D.R. et al. 347
Legislation
Informed consent. (Letter) Miller, K.G. 20; (Response) Sfikas, P.M. 22
Psychology
Is trust a predictor of having a dental home? Graham, M.A. et al. 1550
Standards
The correlation between dental practice management and clinical excellence. Levin, R. 345
Do you see any conflict between the desire to provide high-quality dental care and the desire to run an efficient, profitable business? (Question of the Month) Lund, A.E. 725
The standard of care in dentistry. Where did it come from? How has it evolved? Graskemper, J.P. 1449
Truth-telling. (Letter) Goldstein, A.J. 1222; (Response) 1224
Statistics
Dental visits among Hispanics in the United States, 1999. Wall, T.P. et al. 1011

DENTAL CARE FOR CHILDREN
Access to dental care in Alabama for children with special needs. Al Agili, D.E et al. 490
Back-to-school checkup: send your

child off to school with a healthy mouth. (For the Dental Patient) 1203
Caries prevention. (Letter) Casterline, A. 1224; (Response) Weinstein, P. 1224
Cheek retractors. (Letter) Dietz, G.C. Sr. 150
Motivating parents to prevent caries in their young children. Weinstein, P. et al. 731
Perceptions of desirable tooth color among parents, dentists and children. Shulman, J.D. et al. 595
What should I do when I suspect an elderly or pediatric person is being abused? (Ethical Moment) Jones, K.D. Jr. 1172

DENTAL CARE FOR CHRONICALLY ILL PATIENTS
Am I obligated to treat a patient who is HIV-positive? (Ethical Moment) Graeber, J.J. 1172
Codeine use. (Letter) Hirschfeld, J.J. 1086; (Response) Friedlander, A.H. 1086
Dental students' experiences with and attitudes toward people with mental retardation. Wolff, A.J. et al. 353
Dentistry and overall health. (Letter) Tecosky, D.A. 1516
If we don't do it, who will? Dentistry can't shirk medical complexities. (Editorial) Jeffcoat, M.K. 1076
Knowledge needed. (Letter) Meltzer, R.G. 1372
The new blood pressure guidelines. Glick, M. 585
New national guidelines on hypertension. Herman, W.W. et al. 576
Panic disorder: psychopathology, medical management and dental implications. Friedlander, A.H. et al. 771
To premedicate or not to premedicate. (Letter) Siegel, M.A. 144; (Response) 148
Premedication and informed consent. (Letter) Pallasch, T.J. 146; (Response) 148

DENTAL CARE FOR ELDERLY PATIENTS
Dental visits among older U.S. residents, 1999: the role of dentition status and cost. Macek, M.D. et al. 1154
Dentistry and overall health. (Letter) Tecosky, D.A. 1516
If we don't do it, who will? Dentistry can't shirk medical complexities. (Editorial) Jeffcoat, M.K. 1076
Knowledge needed. (Letter) Meltzer, R.G. 1372
Periodontal disease, weight loss linked in the elderly. (News) 868
What should I do when I suspect an elderly or pediatric person is being abused? (Ethical Moment) Jones, K.D. Jr. 1172

DENTAL CARIES
Diagnosis
Back-to-school checkup: send your child off to school with a healthy mouth. (For the Dental Patient) 1203
A systematic review of the performance of a laser fluorescence device for detecting caries. Bader, J.D. et al. 1413
Epidemiology
The relationship between healthful eating practices and dental caries in children aged 2-5 years in the United States, 1988-1994. Dye, B.A. et al. 55
Prevention
Caries prevention. (Letter) Casterline, A. 1224; (Response) Weinstein, P. 1224
From baby bottle to cup: choose training cups carefully, use them temporarily. (For the Dental Patient) 387
Motivating parents to prevent caries in their young children. Weinstein, P. et al. 731
Therapy
Conservative treatment of the Class I lesion: a new paradigm for dentistry. Hudson, P. 760
Early caries lesions. (Letter) Pesillo, C. 1226; (Response) Hudson, P.M. 1228
The effect of mechanical undercuts on the strength of composite repair. Shen, C. et al. 1406
Provisionally restoring a necrotic tooth while maintaining root canal access. Lazarus, J.P. 458
The right code for the Class I lesion. (Letter) Schenkel, A. 1514

DENTAL ENAMEL
Bleaching agents. (Letter) Matis, B.A. 556; (Response) Basting, R.T. et al. 558
The effect of saliva contamination on enamel and dentin using a self-etching adhesive. Townsend, R.D. et al. 895

DENTAL EQUIPMENT
Laser article 'a disservice.' (Letter) Goldstein, A. et al. 706; (Response) Dederich, D.N. 708
Laser article balanced. (Letter) Arcoria, C.J. 706
Laser article supported. (Letter) Cobb, C.M. 710
Lasers in dentistry. (Letter) Coluzzi, D.J. 698; (Response) Dederich, D.N. 702
Lasers in dentistry: separating science from hype. Dederich, D.N. 204; (Correction) 726
A simulated-use evaluation of a strategy for preventing biofilm formation in dental unit waterlines. McDowell, J.W. et al. 799

DENTAL FLOSS
Adjunctive benefit of an essential oil-containing mouthrinse in reducing plaque and gingivitis in patients who brush and floss regularly. Sharma, N. et al. 496

DENTAL HYGIENISTS
Magnification and dental hygiene. (Letter) Croft, L.K. 278

DENTAL IMPLANTATION, ENDOSSEOUS
Adverse effects
Implants and arteries. (Letter) Flanagan, D. 566
Sublingual hematoma formation during immediate placement of mandibular endosseous implants. Isaacson, T.J. 168
Methods
Dental endosseous implants. ADA Council on Scientific Affairs 92

DENTAL IMPLANTS
Dental endosseous implants. ADA Council on Scientific Affairs 92
Immediate loading of dental implants in the edentulous mandible. Castellon, P. et al. 1543
Single-tooth
Missing a tooth? A single-tooth implant may be for you. (For the Dental Patient) 1499
Placement and postmortem retrieval of a 28-year-old implant: a clinical and histologic report. Cappuccilli, M. et al. 324

DENTAL INSTRUMENTS
An aid in sharpening explorers. Bash, V.C. III 1434
Infection control and prions. (Letter) Merchant, V.A. 554; (Response) Porter, S.R. 556

DENTAL LABORATORY TECHNOLOGY
Careers in dentistry: learn more about dental laboratory technology. (For the Dental Patient) 1347
The professions of dentistry and dental laboratory technology: improving the interface. McGarry, T.J. et al. 220

DENTAL LEAKAGE
Light-curing times. (Letter) Saxe, R. 18; (Response) Jain, et al. 18.

DENTAL OCCLUSION
Is occlusion becoming more confusing? A plea for simplicity. Christensen, G.J. 767
Occlusion confusion. (Letter) Greenberg, M. 1086
Occlusion confusion. (Letter) Rinchuse, D.J. et al. 1228; (Response) Christensen, G.J. 1230

DENTAL OFFICES
Aerosols and splatter in dentistry: a brief review of the literature and infection control implications.

Harrel, S.K. et al. 429
Can technology help dentists deliver better patient care? Feuerstein, P. 11S
Designing your office for technology. Unthank, M. 24S
Integrated office technology: how technology can help improve office efficiency. Anderson, L.H. 18S
Maximizing the physical use of the office. Levin, R. 1456
Nitrous oxide. (Letter) Edelman, H. 410; (Response) Fan, P.L. 412
The personal touch: how technology can strengthen the bonds between patients, professionals. Berry, J. 17S
Pioneering the high-tech practice: fully integrated system boosts efficiency. Berry, J. 10S
Putting technology in place successfully. Levato, C.M. 30S
A resource guide for practice development through technology. Spallek, H. 38S
Why integration is key for dental office technology. Schleyer, T.K.L. 4S

Economics
The economic impact of dentistry. House, D.R. et al. 347

Standards
Emergency preparedness in the dental office. Glotzer, D.L. et al. 1565
How to prepare yourself for an office emergency. 367

DENTAL PLAQUE
Microbiology
Microbiological changes associated with dental prophylaxis. Goodson, J.M. et al. 1559

Prevention
Adjunctive benefit of an essential oil-containing mouthrinse in reducing plaque and gingivitis in patients who brush and floss regularly. Sharma, N. et al. 496

DENTAL PORCELAIN
Clinical performance of large, all-ceramic CAD/CAM-generated restorations after three years. Reich, S.M. et al. 605

DENTAL PROPHYLAXIS
Microbiological changes associated with dental prophylaxis. Goodson, J.M. et al. 1559

DENTAL PROSTHESIS
Retention
Achieving optimum retention for restorations. Christensen, G.J. 1143

DENTAL PULP
Dental pulp cells may treat Parkinson's disease. (News) 724

DENTAL RECORDS
Essential questions regarding data, backups and online backups. Emmott, L.F. 1005
A form to aid in the clinical examination of a traumatized anterior tooth. Caldwell, R.B. 202
Should dentistry be part of the National Health Information Infrastructure? Schleyer, T.K.L. 1687
Using a time-saving form to document emergency assessments. Batton, P.J. et al. 765

DENTAL RESTORATION FAILURE
In vivo versus in vitro. (Letter) Mjör, I.A. 1370; (Response) Purk, J.H. 1372
In vivo versus in vitro microtensile bond strength of axial versus gingival cavity preparation walls in Class II resin-based composite restorations. Purk, J.H. et al. 185

DENTAL RESTORATION, PERMANENT
Total-etch versus self-etch. (Letter) Featherstone, R.W. 412; (Response) Perdigão, J. et al. 414

Adverse effects
Prevalence of cusp fractures in teeth restored with amalgam and with resin-based composite. Wahl, M.J. et al. 1127
Risk indicators for posterior tooth fracture. Bader, J.D. et al. 883

Instrumentation
The light-curing mania. Christensen, G.J. 461
Light-curing times. (Letter) Saxe, R. 18; (Response) Jain, et al. 18.

Methods
Achieving optimum retention for restorations. Christensen, G.J. 1143
Conservative treatment of the Class I lesion: a new paradigm for dentistry. Hudson, P. 760
Early caries lesions. (Letter) Pesillo, C. 1226; (Response) Hudson, P.M. 1228
The effect of mechanical undercuts on the strength of composite repair. Shen, C. et al. 1406
The effect of surface finishing and storage solutions on the color stability of resin-based composites. Patel, S.B. et al. 587; (Correction) 868
In vivo versus in vitro. (Letter) Mjör, I.A. 1370; (Response) Purk, J.H. 1372
In vivo versus in vitro microtensile bond strength of axial versus gingival cavity preparation walls in Class II resin-based composite restorations. Purk, J.H. et al. 185
Is occlusion becoming more confusing? A plea for simplicity. Christensen, G.J. 767
Occlusion confusion. (Letter) Rinchuse, D.J. et al. 1228; (Response) Christensen, G.J. 1230
The right code for the Class I lesion. (Letter) Schenkel, A. 1514
Solving a dental dilemma: restoration of a single anterior tooth. Christensen, G.J. 1725
A three-year clinical evaluation of two dentin bonding agents. Matis, B.A. et al. 451

DENTAL RESTORATION, TEMPORARY
Provisionally restoring a necrotic tooth while maintaining root canal access. Lazarus, J.P. 458
Success of pulpotomy sealed and restored with zinc oxide eugenol or zinc oxide eugenol base and glass ionomer core as an interim management of irreversible pulpitis. Delano, E.O. et al. 1707

DENTAL SCALING
Computer-controlled delivery versus syringe delivery of local anesthetic injections for therapeutic scaling and root planing. Loomer, P.M. et al. 358
Magnification and dental hygiene. (Letter) Croft, L.K. 278
Quantification and analysis of pain in nonsurgical scaling and/or root planing. Magnusson, I. et al. 1747

DENTAL TECHNICIANS
Careers in dentistry: learn more about dental laboratory technology. (For the Dental Patient) 1347
Laboratory technology. (Letter) Napier, B. 720; (Response) McGarry, T.J. 722
The professions of dentistry and dental laboratory technology: improving the interface. McGarry, T.J. et al. 220; (Clarification) 1092

DENTAL TECHNOLOGY
Can technology help dentists deliver better patient care? Feuerstein, P. 11S
Designing your office for technology. Unthank, M. 24S
Integrated office technology: how technology can help improve office efficiency. Anderson, L.H. 18S
Interoperability issues. (CyberNews) Hoyle, J. 161
Laboratory technology. (Letter) Napier, B. 720; (Response) McGarry, T.J. 722; (Clarification) 1092
The personal touch: how technology can strengthen the bonds between patients, professionals. Berry, J. 17S
Pioneering the high-tech practice: fully integrated system boosts efficiency. Berry, J. 10S
Putting technology in place successfully. Levato, C.M. 30S
A resource guide for practice development through technology. Spallek, H. 38S
Should dentistry be part of the National Health Information Infrastructure? Schleyer, T.K.L. 1687
Why integration is key for dental

office technology. Schleyer, T.K.L. 4S

DENTAL UNIT WATERLINES
Guidelines for infection control in dental health care settings—2003. Kohn, W.G. et al. 33
A simulated-use evaluation of a strategy for preventing biofilm formation in dental unit waterlines. McDowell, J.W. et al. 799

DENTAL VENEERS
What is a veneer? Resolving the confusion. Christensen, G.J. 1574

DENTAL WASTE DISPOSAL
Amalgam resources online. (CyberNews) Hoyle, J. 1686

DENTIFRICES
The antimicrobial potential of 14 natural herbal dentifrices: results of an in vitro diffusion method study. Lee, S.S. et al. 1133; (Clarification) 1528
The effect of a triclosan/copolymer/fluoride liquid dentifrice on interproximal enamel remineralization and fluoride uptake. Silva, M.F. de A. et al. 1023
Toothpaste abrasion. (Letter) Cohen, R.B. 1520; (Response) Grippo, J.O. et al. 1522

DENTIN
The effect of saliva contamination on enamel and dentin using a self-etching adhesive. Townsend, R.D. et al. 895
The impact of post space preparation with Gates-Glidden drills on residual dentin thickness in distal roots of mandibular molars. Kuttler, S. et al. 903

DENTIN-BONDING AGENTS
Bonding agents. (Letter) Zuckerman, G.R. 1084; (Response) Matis, B.A. et al. 1084
A three-year clinical evaluation of two dentin bonding agents. Matis, B.A. et al. 451

DENTIN SENSITIVITY
Total-etch versus self-etch. (Letter) Featherstone, R.W. 412; (Response) Perdigão, J. et al. 414

DENTISTRY
Considering a career as a dentist? Learn more about one of the most respected professions in the country. (For the Dental Patient) 259

Trends
If we could send a man to the moon ... When there's a will, will there be a way? (Editorial) Jeffcoat, M.K. 1656
It ain't necessarily so: Mars and the limits of received wisdom. (Editorial) Jeffcoat, M.K. 14

DENTISTS
Another point of view. (Letter) Brown, R.S. 1080
Breaking down the barriers. (Letter) Cabay, R.J. 1082
Educating the public. (Letter) Gazerro, A. III 1082
Historical perspective. (Letter) Curtis, E.K. 1078
Occupational hazards. (Letter) Burgin, M.J. 278
Oral physicians 'now'! (Letter) Giddon, D.B. 852; (Response) 854
Public confusion. (Letter) Goodman, S.F. 1082
Safeguarding the health of dental professionals. Lavine, S.R. et al. 84
Should dentists become 'oral physicians'? No, dentistry must remain dentistry. Assael, L.A. 439
Should dentists become 'oral physicians'? Yes, dentists should become 'oral physicians.' Giddon, D.B. 438
Psychology
Gifts to give yourself for the new year. Christensen, G.J. 75
Laboratory technology. (Letter) Napier, B. 720; (Response) McGarry, T.J. 722; (Clarification) 1092
Stress, burnout, anxiety and depression among dentists. Rada, R.E. et al. 788
Role
The integration of clinical research into dental therapeutics: the role of the astute clinician. Gordon, S.M. et al. 1537
Is the dentist an entrepreneur? Levin, R.P. 1732
What are my responsibilities to a patient who may have an eating disorder? (Ethical Moment) Jones, K.D. Jr. 661
What should I do when I suspect an elderly or pediatric person is being abused? (Ethical Moment) Jones, K.D. Jr. 1172
Statistics
Assessing differences in hours worked between male and female dentists: an analysis of cross-sectional national survey data from 1979 through 1999. Walton, S.M. et al. 637

DENTURE
Overlay
Abutment tooth loss in patients with overdentures. Ettinger, R.L. et al. 739
Partial, fixed
Improving quality and speed in providing fixed prosthodontics. Christensen, G.J. 333
Partial, temporary
Making provisional restorations easy, predictable and economical. Christensen, G.J. 625

DEPARTMENT OF HEALTH AND HUMAN SERVICES, U.S.
DHHS announces new requirements for bar codes on drugs. (News) 416
Serving those with little or no knowledge of English: an examination of language-assistance requirements issued by the U.S. Department of Health and Human Services. Sfikas, P.M. 1616

DEPRESSIVE DISORDER
Stress, burnout, anxiety and depression among dentists. Rada, R.E. et al. 788

DIASTEMA
Cautions regarding computer imaging. (Letter) Anderson, C.F. 1516; (Response) Almog, D.M. 1518
The effect of esthetic consultation methods on acceptance of diastema-closure treatment plan. Almog, D. et al. 875

DIGITALIS
The case of the felonious foxglove: the dark side of natural cures. (Editorial) Jeffcoat, M.K. 1218
Keeping track of natural remedies. (Letter) Shuch, D.J. 1520

DISASTER PLANNING
Emergency preparedness in the dental office. Glotzer, D.L. et al. 1565
How to prepare yourself for an office emergency. 367

DISCLOSURE
Informed consent. (Letter) Miller, K.G. 20; (Response) Sfikas, P.M. 22

DISINFECTANTS
A simulated-use evaluation of a strategy for preventing biofilm formation in dental unit waterlines. McDowell, J.W. et al. 799

DOMESTIC VIOLENCE
Preparing dental students to recognize and respond to domestic violence: the impact of a brief tutorial. Danley, D. et al. 67
What should I do when I suspect an

elderly or pediatric person is being abused? (Ethical Moment) Jones, K.D. Jr. 1172

DRUG COMPOUNDING
Eye of newt, toe of frog: drug compounding—proceed with caution. (Editorial) Jeffcoat, M.K. 546

DRUG CONTAMINATION
The case of the felonious foxglove: the dark side of natural cures. (Editorial) Jeffcoat, M.K. 1218

DRUG INTERACTIONS
Brand names. (Letter) Kessler, L. 854
Drug interactions in dentistry: the importance of knowing your CYPs. Hersh, E.V. et al. 298
Kudos. (Letter) Baker, M.C. 854
More about brand names. (Letter) Jones, D.J. 854; (Response) Hersh, E.V. et al. 856

DRUG LABELING
DHHS announces new requirements for bar codes on drugs. (News) 416

DRUG RESISTANCE, BACTERIAL
Combating antibiotic resistance. ADA Council on Scientific Affairs 484; (Omission) 727
New way to control drug-resistant bacteria discovered. (News) 1528

DRUG THERAPY
Medications' impact on oral health. Ciancio, S.G. 1440

E

EATING DISORDERS
What are my responsibilities to a patient who may have an eating disorder? (Ethical Moment) Jones, K.D. Jr. 661

EDITORS
Best of luck. (Letter) O'Keefe, J.P. 1662
Clip and save. (Letter) Rich, B. 1660
A dedicated professional. (Letter) Neumeister, D. 1660
Dedication. (Letter) Meltzer, R.G. 1662
Dr. Jeffcoat to step down as editor: will not renew contract after 2004. (News) 867
Farewell, Dr. Jeffcoat. Kosden, L. A. 1676
A marvelous job. (Letter) Sandoval, V.A. 1662
A positive mark. (Letter) Somerman, M.J. 1662
A role model. (Letter) Streckfus, C.F. 1662

EDUCATION AND LICENSURE, DENTAL
Board exams are critical. (Letter) Harper, W.A. 1669; (Response) Ranney, R.R. et al. 1670
More about licensure exam. (Letter) Cheek, C.Y. 1668; (Response) ADA Division of Education 1669
The NERB exam. (Letter) Colburn, J.K. 1670; (Response) Ranney, R.R. et al. 1672
Preparing dental students to recognize and respond to domestic violence: the impact of a brief tutorial. Danley, D. et al. 67
Preparing for the exam. (Letter) Page, D.C. 1662; (Response) Ranney, R.R. et al. 1664
The professions of dentistry and dental laboratory technology: improving the interface. McGarry, T.J. et al. 220
The relationship between performance in a dental school and performance on a clinical examination for licensure. Ranney, R.R. at al. 1146
Continuing
Continuing education. (Letter) Weller, R. 1366
Continuing education: the good, the bad and the ugly. Christensen, G.J. 921
Looking for CE? Go to ADA.org. (CyberNews) Hoyle, J. 575
Trends
Trends in dental and allied dental education. Neumann, L.M. 1253; (Correction) 1682

EDUCATIONAL MEASUREMENT
Board exams are critical. (Letter) Harper, W.A. 1669; (Response) Ranney, R.R. et al. 1670
More about licensure exam. (Letter) Cheek, C.Y. 1668; (Response) ADA Division of Education 1669
The NERB exam. (Letter) Colburn, J.K. 1670; (Response) Ranney, R.R. et al. 1672
Preparing for the exam. (Letter) Page, D.C. 1662; (Response) Ranney, R.R. et al. 1664
The relationship between performance in a dental school and performance on a clinical examination for licensure. Ranney, R.R. at al. 1146

EFFICIENCY, ORGANIZATIONAL
Integrated office technology: how technology can help improve office efficiency. Anderson, L.H. 18S
Managing time. Levin, R. 488
Maximizing the physical use of the office. Levin, R. 1456
Pioneering the high-tech practice: fully integrated system boosts efficiency. Berry, J. 10S

ELDER ABUSE
What should I do when I suspect an elderly or pediatric person is being abused? (Ethical Moment) Jones, K.D. Jr. 1172

ELECTRONIC MAIL
ADAMember.net e-mail service. (CyberNews) Hoyle, J. 1536
Computer security bulletins by email. (CyberNews) Hoyle, J. 426
Internet service providers sue alleged spammers. (CyberNews) Hoyle, J. 575
Spam update. (CyberNews) Hoyle, J. 1096
Will spam be canned? (CyberNews) Hoyle, J. 296

ELECTROSURGERY
Selectively preventing development of third molars in rats using electrosurgical energy. Silvestri, A.R. Jr. et al. 1397

EMERGENCIES
Emergency preparedness in the dental office. Glotzer, D.L. et al. 1565
How to prepare yourself for an office emergency. 367
Using a time-saving form to document emergency assessments. Batton, P.J. et al. 765

EMPLOYEE INCENTIVE PLANS
Employee incentive programs. Levin, R. 635

EMPLOYEE PERFORMANCE APPRAISAL
Evaluation your office staff. Levin, R. 1597

EMPLOYMENT
Reverse age discrimination? Supreme Court says law does not bar discrimination against younger workers. Sfikas, P.M. 509

EMPLOYMENT RETIREMENT INCOME SECURITY ACT (ERISA)
High court rules ERISA pre-empts negligence claims against HMOs. Sfikas, P.M. 1480
Supreme Court to decide whether ERISA pre-empts negligence claims against HMOs. Sfikas, P.M. 110

ENAMEL MICROABRASION
Using microabrasive material to remove fluorosis stains. Allen, K. et al. 319; (Correction) 726

ENDODONTIC THERAPY
Root canal filling materials
Fracture resistance of roots endodontically treated with a new resin filling material. Teixeira, F.B. et al. 646; (Correction) 868
Root canal obturation
Fracture resistance of roots endodontically treated with a new resin filling material. Teixeira, F.B. et al. 646; (Correction) 868
Root canal preparation
The impact of post space preparation with Gates-Glidden drills on residual dentin thickness in distal roots of mandibular molars. Kuttler, S. et al. 903
Provisionally restoring a necrotic tooth while maintaining root canal

access. Lazarus, J.P. 458
Removing gutta-percha for dowel space preparation. Kaplowitz, G.J. 330

ESSENTIAL OILS
Adjunctive benefit of an essential oil-containing mouthrinse in reducing plaque and gingivitis in patients who brush and floss regularly. Sharma, N. et al. 496

ESTHETICS
Cautions regarding computer imaging. (Letter) Anderson, C.F. 1516; (Response) Almog, D.M. 1518
The effect of esthetic consultation methods on acceptance of diastema-closure treatment plan. Almog, D. et al. 875
Here comes the bride ... and her teeth are nice and bright! (For the Dental Patient) 679
Perceptions of desirable tooth color among parents, dentists and children. Shulman, J.D. et al. 595

ETHICS
Am I obligated to treat a patient who is HIV-positive? (Ethical Moment) Graeber, J.J. 1172
The correlation between dental practice management and clinical excellence. Levin, R. 345
Informed consent. (Letter) Miller, K.G. 20; (Response) Sfikas, P.M. 22
May I advertise using the name of the retiring dentist whose practice I purchased? (Ethical Moment) Jones, K.D. Jr. 661
(Sub)standard of care: will culture trump competence in California? (Editorial) Jeffcoat, M.K. 274
Truth-telling. (Letter) Goldstein, A.J. 1222; (Response) 1224
What are my responsibilities to a patient who may have an eating disorder? (Ethical Moment) Jones, K.D. Jr. 661
What should I do when I suspect an elderly or pediatric person is being abused? (Ethical Moment) Jones, K.D. Jr. 1172

EVIDENCE-BASED DENTISTRY
Drawing conclusions. (Letter) Solomon, F. 718; (Response) Ackerman, M.B. 720; (Correction) 1092
The EBD approach. (Letter) Simon, J. 560; (Response) Ismail, A.I. et al. 562
Evidence-based dentistry in clinical practice. Ismail, A.I. et al. 78
Evidence-based orthodontics for the 21st century. Ackerman, M. 162
More about EBD. (Letter) Fedorowicz, Z. et al. 564.
Translating findings of systematic reviews into consensus statements on periodontal therapy. American Academy of Periodontology 1099

F

FACIAL CLEFTS
Smoking during pregnancy linked to orofacial clefts. (News) 1236

FACIAL PAIN
Diagnosis
Trigeminal neuralgia and glossopharyngeal neuralgia: two orofacial pain syndromes encountered by dentists. Horowitz, M. et al. 1427
Etiology
Biopsychosocial differences between high-risk and low-risk patients with acute TMD-related pain. Wright, A.R. et al. 474
Prevention
Techniques for reducing anesthetic injection pain: an interdisciplinary survey of knowledge and applications. Meit, S.S. et al. 1243
Psychology
Psychology and chronic orofacial pain. (Letter) Zinman, E.J. 1522; (Response) Turner, J.A. et al. 1524
Screening for psychosocial risk factors in patients with chronic orofacial pain. Turner, J.A. et al. 1119

FEEDING METHODS
From baby bottle to cup: choose training cups carefully, use them temporarily. (For the Dental Patient) 387

FEE-FOR-SERVICE PLANS
Self-reported oral health of enrollees in capitated and fee-for-service dental benefit plans. Coulter, I.D. et al. 1606
Self-reported satisfaction of enrollees in capitated and fee-for-service dental benefit plans. Coulter, I.D. et al. 1458

FETAL DEATH
Oral bacteria linked to preterm birth. (News) 571

FLUORESCENCE
A systematic review of the performance of a laser fluorescence device for detecting caries. Bader, J.D. et al. 1413

FLUORIDES
Pharmacokinetics
The effect of a triclosan/copolymer/fluoride liquid dentifrice on interproximal enamel remineralization and fluoride uptake. Silva, M.F. de A. et al. 1023
Fluoride release from varnishes in two in vitro protocols. Castillo, J.L. et al. 1696

FLUOROSIS
Using microabrasive material to remove fluorosis stains. Allen, K. et al. 319; (Correction) 726

FOOD AND DRUG ADMINISTRATION (FDA), U.S.
DHHS announces new requirements for bar codes on drugs. (News) 416

FOOD HABITS
The relationship between healthful eating practices and dental caries in children aged 2-5 years in the United States, 1988-1994. Dye, B.A. et al. 55

FORENSIC DENTISTRY
Case closed. (Letter) Goodman, N.R. et al. 568

FRAUD
Caveat dentista: sniffing out dental scams. Sfikas, P.M. 1755
Court finds that RICO statute can be applied in noncriminal cases. Sfikas, P.M. 238

G

GEFITINIB
Lung cancer drug may help treat oral cancer. (News) 152

GELS
Quantification and analysis of pain in nonsurgical scaling and/or root planing. Magnusson, I. et al. 1747

GENE EXPRESSION
Bacteria use novel mechanism to express genes. (News) 28
Salivary gland gene therapy may lead to new treatments. (News) 286

GENE THERAPY
Salivary gland gene therapy may lead to new treatments. (News) 286

GINGIVAL CREVICULAR FLUID
Serum and gingival crevicular fluid levels of ciprofloxacin in patients with periodontitis. Tözüm, T.F. et al. 1728

GINGIVITIS
Chemically induced
Infertility treatment affects oral health. (News) 1089
Prevention
Adjunctive benefit of an essential oil-containing mouthrinse in reducing plaque and gingivitis in patients who brush and floss regularly. Sharma, N. et al. 496
Microbiological changes associated with dental prophylaxis. Goodson, J.M. et al. 1559

GLASS IONOMER CEMENTS
Success of pulpotomy sealed and restored with zinc oxide eugenol or zinc oxide eugenol base and glass ionomer core as an interim management of irreversible pulpitis. Delano, E.O. et al. 1707
A three-year clinical evaluation of two dentin bonding agents. Matis, B.A. et al. 451

GUTTA-PERCHA
Removing gutta-percha for dowel space preparation. Kaplowitz, G.J. 330

H

HEAD AND NECK NEOPLASMS
Mortality
Smoking reduces survival in head and neck cancer patients. (News) 1682

HEALTH
Education
Caries prevention. (Letter) Casterline, A. 1224; (Response) Weinstein, P. 1224
Motivating parents to prevent caries in their young children. Weinstein, P. et al. 731
Expenditures
The economic impact of dentistry. House, D.R. et al. 347
Services, accessibility
Access to dental care in Alabama for children with special needs. Al Agili, D.E et al. 490
Access to dental care: solving the problem for underserved populations. Guay, A.H. 1599
Access to dental care: the triad of essential factors in access-to-care programs. Guay, A.H. et al. 779
Dental visits among Hispanics in the United States, 1999. Wall, T.P. et al. 1011
Do you sometimes provide dental care to disadvantaged patients who may not be able to pay for your services? (Question of the Month) Lund, A.E. 418
Improving America's access to care: the National Institute of Dental and Craniofacial Research addresses oral health disparities. Milgrom, P. et al. 1389
Is trust a predictor of having a dental home? Graham, M.A. et al. 1550

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA)
Court upholds final version of HIPAA privacy regulations. Sfikas, P.M. 806

HEALTH MAINTENANCE ORGANIZATIONS
High court rules ERISA pre-empts negligence claims against HMOs. Sfikas, P.M. 1480
Supreme Court to decide whether ERISA pre-empts negligence claims against HMOs. Sfikas, P.M. 110

HEALTH PROMOTION
The American Dental Association's oral cancer campaign. the impact on consumers and dentists. Stahl. S. et al. 1261
The use of 'academic detailing' to promote tobacco-use cessation counseling in dental offices. Albert, D.A. et al. 1700

HEART ARREST see CARDIAC ARREST

HEART RATE
Heart rate variability: a new sensitive parameter to detect abnormal cardio-circulatory changes during a stressful dental operation. Montebugnoli, L. et al. 1718

HEMATOMA
Implants and arteries. (Letter) Flanagan, D. 566
Sublingual hematoma formation during immediate placement of mandibular endosseous implants. Isaacson, T.J. 168

HEMORRHAGE
Etiology
Sublingual hematoma formation during immediate placement of mandibular endosseous implants. Isaacson, T.J. 168

HERBAL MEDICINE
The antimicrobial potential of 14 natural herbal dentrifices: results of an in vitro diffusion method study. Lee, S.S. et al. 1133; (Clarification) 1528
Adverse effects
The case of the felonious foxglove: the dark side of natural cures. (Editorial) Jeffcoat, M.K. 1218
Keeping track of natural remedies. (Letter) Shuch, D.J. 1520

HERPES LABIALIS
The efficacy of valacyclovir in preventing recurrent herpes simplex virus infections associated with dental procedures. Miller, C.S. et al. 1311
Treatment modalities and medication recommended by health care professionals for treating recurrent herpes labialis. Raborn, G.W. et al. 48

HISPANIC AMERICANS
Blatant bias. (Letter) Casamassimo, P. 698; (Response) Jeffcoat, M.K. 698
Dental visits among Hispanics in the United States, 1999. Wall, T.P. et al. 1011
Message questioned. (Letter) Anderson, P. 696; (Response) Jeffcoat, M.K. 698
Salient points. (Letter) Turchi, L.J. 696; (Response) Jeffcoat, M.K. 698
(Sub)standard of care. (Letter) Curtis, D. 694; (Response) Jeffcoat, M.K. 698
(Sub)standard of care: will culture trump competence in California? (Editorial) Jeffcoat, M.K. 274

HIV INFECTIONS
Am I obligated to treat a patient who is HIV-positive? (Ethical Moment) Graeber, J.J. 1172

HOMICIDE
Case closed. (Letter) Goodman, N.R. et al. 568

HUMAN GENOME PROJECT
A clearing in the forest: the wondrous genome. (Editorial) Jeffcoat, M.K. 692

HUMAN PAPILLOMAVIRUS
Human papillomavirus linked to oral cancer. (News) 152

HYDROGEN PEROXIDE
Vital bleaching with a thin peroxide gel: the safety and efficacy of a professional-strength hydrogen peroxide whitening strip. Gerlach, R.W. et al. 98; (Correction) 156

HYPERTENSION
Hypertension guidelines. (Letter) Merin, R.L. 1220; (Response) Herman, W.W. et al. 1222
The new blood pressure guidelines. Glick, M. 585
New national guidelines on hypertension. Herman, W.W. et al. 576

I

INCISOR
Solving a dental dilemma: restoration of a single anterior tooth. Christensen, G.J. 1725
Injuries
A form to aid in the clinical examination of a traumatized anterior tooth. Caldwell, R.B. 202

INFANT CARE
From baby bottle to cup: choose training cups carefully, use them temporarily. (For the Dental Patient) 387

INFANT, LOW BIRTH WEIGHT
JAMA dental radiography study bolsters ADA recommendations. (News) 724
Radiography and low birth weight. (Letter) Moore, W. et al. 858

INFANT NUTRITION
From baby bottle to cup: choose training cups carefully, use them temporarily. (For the Dental Patient) 387

INFANT, PREMATURE
Oral bacteria linked to preterm birth. (News) 571

SOCIETIES, DENTAL
More about licensure. (Letter) Hammond, D. 716; (Response) Chambers, D.W. 718
Oversimplifying licensure? (Letter) Yeager, A.L. 714; (Response) Chambers, D.W. 716
Portfolios for initial licensure. (Letter) Cosby, J.C. Jr. 712; (Response) Chambers, D.W. 714

SODIUM FLUORIDE
The remineralizing effect of an essential oil fluoride mouthrinse in an intraoral caries test. Zero, D.T. et al. 231

SPECIALTIES
Practice makes perfect. (Letter) Dietz, G.C. Sr. 148

STEM CELLS
Periodontal ligament stem cells isolated. (News) 1236

STERILIZATION
Sterilization monitoring. (Dental Product Spotlight) 107; (Omission) 290
Sterilizer. (Dental Product Spotlight) 106; (Correction) 290

STRESS, PSYCHOLOGICAL
Stress and periodontitis. (Letter) Firestone, J.M. 406; (Response) Merchant, A.T. et al. 410
Stress, burnout, anxiety and depression among dentists. Rada, R.E. et al. 788
Stress, strain and unpaid claims: Colorado's high court says the insured can recover for emotional distress without proving substantial loss. Sfikas, P.M. 1031

STUDENTS
Dental students' experiences with and attitudes toward people with mental retardation. Wolff, A.J. et al. 353
Preparing dental students to recognize and respond to domestic violence: the impact of a brief tutorial. Danley, D. et al. 67

SUPREME COURT DECISIONS
High court rules ERISA pre-empts negligence claims against HMOs. Sfikas, P.M. 1480
Reverse age discrimination? Supreme Court says law does not bar discrimination against younger workers. Sfikas, P.M. 509
Supreme Court opens door to enforcement of Medicaid consent decrees. Sfikas, P.M. 368
Supreme Court to decide whether ERISA pre-empts negligence claims against HMOs. Sfikas, P.M. 110
Who's liable when an employee quits because of sexual harassment? Supreme Court to rule on employers' liability for supervisors' conduct. Sfikas, P.M. 657

SYRINGES
Computer-controlled delivery versus syringe delivery of local anesthetic injections for therapeutic scaling and root planing. Loomer, P.M. et al. 358

SYSTEMS INTEGRATION
Integrated office technology: how technology can help improve office efficiency. Anderson, L.H. 18S
Interoperability issues. (CyberNews) Hoyle, J. 161
Pioneering the high-tech practice: fully integrated system boosts efficiency. Berry, J. 10S
Putting technology in place successfully. Levato, C.M. 30S
Why integration is key for dental office technology. Schleyer, T.K.L. 4S

T

TEMPOROMANDIBULAR JOINT DISORDERS
Psychology
Biopsychosocial differences between high-risk and low-risk patients with acute TMD-related pain. Wright, A.R. et al. 474
Psychology and chronic orofacial pain. (Letter) Zinman, E.J. 1522; (Response) Turner, J.A. et al. 1524
Screening for psychosocial risk factors in patients with chronic orofacial pain. Turner, J.A. et al. 1119
Therapy
The EBD approach. (Letter) Simon, J. 560; (Response) Ismail, A.I. et al. 562

TERPENES
The remineralizing effect of an essential oil fluoride mouthrinse in an intraoral caries test. Zero, D.T. et al. 231

THERAPY, COMPUTER-ASSISTED
Anesthetic efficacy of the palatal-anterior superior alveolar injection. Burns, Y. et al. 1269
Computer-controlled delivery versus syringe delivery of local anesthetic injections for therapeutic scaling and root planing. Loomer, P.M. et al. 358

THIMEROSAL
The vaccine controversy. (Letter) Cantor, J.S. 862; (Response) Jeffcoat, M.K. 864

THYROID GLAND
JAMA dental radiography study bolsters ADA recommendations. (News) 724
Radiography and low birth weight. (Letter) Moore, W. et al. 858

TIME MANAGEMENT
Managing time. Levin, R. 488

TISSUE ENGINEERING
New procedure developed for creating, transplanting jawbone graft. (News) 1376
Scientists tissue engineer mandibular condyles. (News) 27
Translating findings of systematic reviews into consensus statements on periodontal therapy. American Academy of Periodontology 1099

TOBACCO SMOKE
Cigarette smoke, saliva hasten cancer. (News) 1089

TOMOGRAPHY, X-RAY COMPUTED
CT scans. (Letter) Meyer, R.A. 846; (Response) Checchi, L. 848

TOOTH
Abrasion
Attrition, abrasion, corrosion and abfraction revisited: a new perspective on tooth surface lesions. Grippo, J.O. et al. 1109; (Correction) 1376
Toothpaste abrasion. (Letter) Cohen, R.B. 1520; (Response) Grippo, J.O. et al. 1522
Tooth surface lesions. (Letter) Davis, M.W. 1674
Attrition
Attrition, abrasion, corrosion and abfraction revisited: a new perspective on tooth surface lesions. Grippo, J.O. et al. 1109; (Correction) 1376
Tooth surface lesions. (Letter) Davis, M.W. 1674
Crown
Prevalence of cusp fractures in teeth restored with amalgam and with resin-based composite. Wahl, M.J. et al. 1127
Risk indicators for posterior tooth fracture. Bader, J.D. et al. 883
Tooth crowns regenerated in second mammal species. (News) 1089
Discoloration
Perceptions of desirable tooth color among parents, dentists and children. Shulman, J.D. et al. 595
Using microabrasive material to remove fluorosis stains. Allen. K. et al. 319; (Correction) 726
Erosion
Attrition, abrasion, corrosion and abfraction revisited: a new perspective on tooth surface lesions. Grippo, J.O.

et al. 1109; (Correction) 1376
Tooth erosion caused by chewing aspirin. Grace, E.G. et al. 911
Tooth surface lesions. (Letter) Davis, M.W. 1674
Fractures
A form to aid in the clinical examination of a traumatized anterior tooth. Caldwell, R.B. 202
Fracture resistance of roots endodontically treated with a new resin filling material. Teixeira, F.B. et al. 646; (Correction) 868
Prevalence of cusp fractures in teeth restored with amalgam and with resin-based composite. Wahl, M.J. et al. 1127
Risk indicators for posterior tooth fracture. Bader, J.D. et al. 883
Impacted
CT scans. (Letter) Meyer, R.A. 846; (Response) Checchi, L. 848
Reliability of panoramic radiography in evaluation the topographic relationship between the mandibular canal and the impacted third molars. Monaco, G. et al. 312
Loss
Abutment tooth loss in patients with overdentures. Ettinger, R.L. et al. 739
Older adults keeping natural teeth. (News) 152
Preparation, prosthodontic
Achieving optimum retention for restorations. Christensen, G.J. 1143
Remineralization
The effect of a triclosan/copolymer/fluoride liquid dentifrice on interproximal enamel remineralization and fluoride uptake. Silva, M.F. de A. et al. 1023
The remineralizing effect of an essential oil fluoride mouthrinse in an intraoral caries test. Zero, D.T. et al. 231
Retention
Older adults keeping natural teeth. (News) 152

TOOTH BLEACHING
Adverse effects
Bleaching agents. (Letter) Matis, B.A. 556; (Response) Basting, R.T. et al. 558
Methods
Clinical evaluation of a combined in-office and take-home bleaching system. Deliperi, S. et al. 628
Effect of light energy on peroxide tooth bleaching. Luk, K. et al. 194
Here comes the bride ... and her teeth are nice and bright! (For the Dental Patient) 679
Using microabrasive material to remove fluorosis stains. Allen, K. et al. 319; (Correction) 726
Vital bleaching with a thin peroxide gel: the safety and efficacy of a professional-strength hydrogen peroxide whitening strip. Gerlach, R.W. et al. 98; (Correction) 156

TOOTHBRUSHING
Adjunctive benefit of an essential oil-containing mouthrinse in reducing plaque and gingivitis in patients who brush and floss regularly. Sharma, N. et al. 496
Manual dexterity. (Letter) Robinson, M.I. 22; (Response) Niederman, R. 22

TOOTH DISEASES
Classification
Attrition, abrasion, corrosion and abfraction revisited: a new perspective on tooth surface lesions. Grippo, J.O. et al. 1109
Prevention
Pregnant? Tips for keeping your smile healthy. (For the Dental Patient) 127

TOOTH EXTRACTION
Adverse effects
Heart rate variability: a new sensitive parameter to detect abnormal cardiocirculatory changes during a stressful dental operation. Montebugnoli, L. et al. 1718

TOOTH INJURIES
Prevention
The importance of using mouthguards: tips for keeping your smile safe. (For the Dental Patient) 1061

TRAINING SUPPORT
Have you contributed time or money to your area dental school or alma mater? (Question of the Month) Lund, A.E. 289

TRICLOSAN
The effect of a triclosan/copolymer/fluoride liquid dentifrice on interproximal enamel remineralization and fluoride uptake. Silva, M.F. de A. et al. 1023

TRAVEL
Have a checkup before you travel. (For the Dental Patient) 827

TRUST
Is trust a predictor of having a dental home? Graham, M.A. et al. 1550

TUBERCULOSIS
Oral mucosal ulceration: a manifestation of previously undiagnosed pulmonary tuberculosis. Sezer, B. et al. 336; (Correction) 726

U

UNCOMPENSATED CARE
Do you sometimes provide dental care to disadvantaged patients who may not be able to pay for your services? (Question of the Month) Lund, A.E. 418

UREA
Bleaching agents. (Letter) Matis, B.A. 556; (Response) Basting, R.T. et al. 558

V

VALACYCLOVIR
The efficacy of valacyclovir in preventing recurrent herpes simplex virus infections associated with dental procedures. Miller, C.S. et al. 1311

VULNERABLE POPULATIONS
Do you sometimes provide dental care to disadvantaged patients who may not be able to pay for your services? (Question of the Month) Lund, A.E. 418

W

WATER
Microbiology
Cleaning dental unit waterlines. 46
Guidelines for infection control in dental health care settings—2003. Kohn, W.G. et al. 33
A simulated-use evaluation of a strategy for preventing biofilm formation in dental unit waterlines. McDowell, J.W. et al. 799

WATER PURIFICATION
A simulated-use evaluation of a strategy for preventing biofilm formation in dental unit waterlines. McDowell, J.W. et al. 799

WEIGHT LOSS
Periodontal disease, weight loss linked in the elderly. (News) 868

WOMEN DENTISTS
Assessing differences in hours worked between male and female dentists: an analysis of cross-sectional national survey data from 1979 through 1999. Walton, S.M. et al. 637
It's a pipeline issue: women in leadership. (Editorial) Jeffcoat, M.K. 142

WORKLOAD
Assessing differences in hours worked between male and female dentists: an analysis of cross-sectional national survey data from 1979 through 1999. Walton, S.M. et al. 637

Z

ZINC OXIDE EUGENOL
Success of pulpotomy sealed and restored with zinc oxide eugenol or zinc oxide eugenol base and glass ionomer core as an interim management of irreversible pulpitis. Delano, E.O. et al. 1707
